

Foreign Workers' Medical Examinations Surveillance System

ANNOUNCEMENT

NOTICE PANDEMIC OF 2019 NOVEL CORONAVIRUS (2019-nCoV)

DEAR VALUED CUSTOMERS,

In line with our initiative to raise precautionary and preventive awareness amongst all our customers regarding the recent outbreak of the Novel Coronavirus in Wuhan, China, we would like to seek our customers' attention to the following information.

Employers and foreign workers are advised to seek immediate medical attention if the following symptoms or conditions exist:

- **Fever;**
- **And clinical sign/symptoms suggestive of pneumonia**
- **Or severe respiratory infection with breathlessness**
- **Had a recent travel history to or reside in Mainland China within the last 14 days**
- **Or close contact with a confirmed case of 2019-nCoV**

To reduce the risk of Novel Coronavirus infection, the World Health Organisation (WHO) recommendations are as follows:

- **Frequently clean hands by using alcohol-based hand rub or soap and water.**
- **Cover nose and mouth when coughing and sneezing with a tissue or flexed elbow.**
- **Avoid close contact with anyone who has fever, cough and flu-like symptoms.**
- **Meat and eggs are to be cooked thoroughly and avoid the consumption of raw or undercooked animal products.**

Let's work together hand in hand in ensuring the risk of an outbreak of this infection can be reduced or eliminated entirely in Malaysia by following the above preventive measures at all times.
