

Foreign Workers' Medical Examinations Surveillance System

PRESS RELEASE

FOMEMA® NAMES NEW CHIEF EXECUTIVE OFFICER TO STRENGTHEN OPERATIONS AND BUSINESS EXPANSION

KUALA LUMPUR - FOMEMA® Sdn. Bhd., the operator company of Foreign Workers' Medical Examination Programme in Malaysia today has announced the appointment of a new Chief Executive Officer (CEO) for the company effective July 2019. The new CEO, Ms. Kelen Leong Choy Fun is taking up the CEO position previously lead by Dato' Mohd Hatar Bin Ismail, who has been serving FOMEMA® for the past 9 years.

Speaking about her new appointment Ms. Kelen Leong Choy Fun said, "FOMEMA® is a company with a long history and great future prospect since 1997 to protect our country from any communicable diseases. I am both humbled and thrilled to be given the opportunity to bring the company forward moving from a position of strength to continue to transform FOMEMA® for the future, endeavour to act quantitatively in the best interest of the company and stakeholders. With the new direction, we aim for the opportunities in front of us in boosting a higher standard of Foreign workers' Medical Examination Programme in Malaysia thus, to uphold the imperative responsibility to serve the national interest entrusted by the Government of Malaysia."
